CITY OF BROKEN ARROW PROJECT # 096036**

To Whom It May Concern:

You are invited to attend a public meeting scheduled for **6:30 p.m. Monday, September 20, 2010**, at the **Northeastern State University (NSU) Visitor Center Gallery** located at **3100 E New Orleans Street (101st St)** in Broken Arrow. The Visitor Center gallery is located in Building "A" on the NSU Broken Arrow campus. The public meeting is a forum to discuss the proposed Broken Arrow Events Park. The City of Broken Arrow has obtained the services of a design team headed by Alaback Design Associates to prepare a Master Plan for the proposed park to be located on approximately 80 acres immediately east of the Creek Turnpike and north of New Orleans Street. The purpose of the meeting is to inform the public of the park features and functions being considered and to obtain feedback from the public to further assist in the development of the Park Master Plan.

Representatives from the design consultant team, as well as City staff, will be present to discuss the proposed project and obtain your feedback, and answer questions regarding the project.

A map of the NSU Broken Arrow Campus is attached. To access Building A, we recommend you park in the East parking lot, however, the building is also accessible from the West parking lot.

We look forward to meeting with you to address any questions or comments you have pertaining to the project. Please contact Larry Dearing at the City of Broken Arrow Engineering and Construction Department at (918) 259-7000, extension 5414 or ldearing@brokenarrowok.gov, should you have any questions with respect to the project prior to the meeting.
